

Monday's Live Macro Calendar

March 4, 2013

Leveraged products involve a high level of risk and you can lose more than your original investment. They are not suitable for everyone so please ensure you understand the risks involved and if necessary please obtain investment advice from a financial adviser before investing. This report is not a personal recommendation and does not take into account your personal circumstances or appetite for risk.

For Data Definitions and what could be impacted, see our [Dictionary](#)

Key: Beat consensus; In-line with consensus; Missed consensus; R+ (Revised up), R- (Revised down); **Yellow** = important

NB: Data and consensus provided by third parties - accuracy cannot be guaranteed

Note that data significance will vary depending on what you trade
